Circle Bar B Stables takes special pride in their fine horses and offer personalized trail rides through nearly 1,000 acres of unspoiled coastal countryside. The trails wind their way through the woods to the mountains, crossing streams and passing waterfalls on the way. Along the ridge tops, guests can gallop and enjoy views of the canyons, ocean and Channel Islands. Catch a glimpse of deer, fox or quail. See spring and summer wild flowers in bloom or autumn colors in the canyon trees.
