A Winery by the beach

Although the grapes are grown in our vineyards in the western Santa Ynez Valley, all of the steps of winemaking take place at our winery in downtown Santa Barbara.

Visitors are welcome to come taste our wide variety of award winning wines. Browse our gift shop for wine accessories, specialty food items, and unique giftware. Our hours are from 10am to 5pm seven days a week. For more information call 805.963.3633 or 800.225.3633 SantaBarbara.com Visitors Guide
